Template Instructions

1. The Australian Institute of Sport (**AIS**) has published a “Framework for Rebooting Sport in a COVID-19 Environment” to inform the resumption of sporting activity in Australia, including community sport. Sport Australia has separately developed a “Return to Sport Checklist for Clubs and Associations” that provides operational guidance to local sporting clubs and associations on considerations that should be taken into account to appropriately resume sport and club operations.
2. To support the AIS and Sport Australia return to sport documents, Sport Australia has developed this COVID-19 Safety Plan template. This template can be used by associations and clubs to consolidate their planning for the resumption of activities at its club. Your association/club should review the Sport Australia Checklist and document its operational requirements for return to sport in the Appendix to this COVID-19 Safety Plan.
3. Yellow highlighting within brackets i.e. [] indicates further information is required from an association/club prior to finalising and adopting the COVID-19 Safety Plan. Before finalising, insert relevant information where highlighted in yellow and delete these template instructions.
4. Your association/club’s COVID-19 Safety Plan should be appropriately ratified within your club’s governance arrangements and regularly reviewed to ensure it remains fit for purpose and aligned with the AIS Framework, government restricted activity measures, public health advice and health and safety laws.
5. **DISCLAIMER:** This template does not constitute legal or health and safety advice. A club should take its own professional advice regarding the development and contents of its COVID-19 Safety Plan.

1. Introduction

The purpose of this COVID-19 Safety Plan (**Plan**) is to provide an overarching plan for the implementation and management of procedures by Burraneer Rugby Club Inc to support the Club and its members and participants in the staged resumption of community sport and club activities.

The arrangements set out in this Plan are intended to prevent the transmission of COVID-19 among members, participants, coaches, officials, administrators/volunteers, visitors, families and the broader community. The Plan provides the framework to govern the general operation of the Club, any facilities it controls, the playing/training behaviour of all members and participants and the monitoring and reporting of the health of attendees at Club facilities.

This Plan includes, but is not limited to, the conduct of:

- a. staged training and competition activities (sport operations); and
- b. facility management and supporting operations (facility operations).

At all times the Plan is subject to all regulations, guidelines and directions of government and public health authorities.

2. Key Principles

This Plan is based on, and accepts, the AIS [Framework for Rebooting Sport in a COVID-19 Environment](#) (**AIS Framework**) and the [National Principles for the Resumption of Sport and Recreation Activities](#) (**National Principles**).

The Plan also accepts as key principles that:

- The health and safety of members, participants, coaches, officials, administrators/volunteers, visitors, families and the broader community is the number one priority;
- Members, participants, coaches, officials, administrators/volunteers, families and the broader community need to be engaged and briefed on Club's return to sport plans;
- Facilities are assessed and appropriate plans are developed to accommodate upgraded hygiene protocols, physical distancing and other measures to mitigate the risk of transmission of COVID-19;
- Training cannot resume until the arrangements for sport operations and facility operations are finalised and approved, if necessary; and
- At every stage of the return to sport process Club must consider and apply all applicable State and Territory Government and local restrictions and regulations. Club needs to be prepared for any localised outbreak at our facilities, within our competitions or in the local community.

3. Responsibilities under this Plan

The Club retains the overall responsibility for the effective management and implementation of the return to sport activities and operations outlined in this Plan.

The Committee of the Club is responsible for:

- Approving the Plan and overseeing the implementation of the arrangements in the Plan; and
- Revising the Plan as required, ensuring it reflects up to date information from government and public health officials.

The Committee has appointed the following person as the Club COVID-19 Safety Coordinator to execute the delivery of the Plan and to act as a point of contact for information relating to this Plan:

| | |
|-----------------------|------------------------|
| Name | Amanda Mills |
| Contact Email | burrarugby@outlook.com |
| Contact Number | 0413525433 |

The Club expects all members, participants, coaches, officials, administrative staff and volunteers to:

- Comply with the health directions of government and public health authorities as issued from time to time;
- Understand and act in accordance with this Plan as amended from time to time;
- Comply with any testing and precautionary measures implemented by the Club;
- Act with honesty and integrity in regard to the state of their personal health and any potential symptoms; and
- Monitor their health and take a cautious approach to self-isolation and reporting of potential symptoms.

4. Return to Sport Arrangements

As at 15 June of this Plan, participants are training at Level A of the AIS Framework. The Plan outlines specific sport requirements that Club will implement for Level B and Level C of the AIS Framework.

The Club will transition to the training activity and facility use as outlined in Level B of the AIS Framework and the training/competition activities and facility use outlined in Level C of the AIS Framework when permitted under local restrictions and regulations.

4.1 AIS Framework Arrangements

The protocols for conducting sport operations and facility operations under Level B and Level C of the AIS Framework are set out in the Appendix.

4.2 Roadmap to a COVIDSafe Australia

The Club will also comply with the Australian government's [Roadmap to a COVIDSafe Australia](#), which places limits on the type of activity that can be conducted and the number of people who can gather at facilities, notwithstanding the activities permitted by the AIS Framework (see below).

| | | | | | |
|---------------------------|--|--|---|---|--------------------------|
| AIS Activities | Level A: Training in no more than pairs. Physical distancing required. | Level B: Indoor/outdoor activity. Training in small groups up to 10. Physical distancing required. | | Level C: Full sporting activity (training and competition) allowed. No restriction on numbers. Contact allowed. | |
| Roadmap Activities | N/A | Step 1: No indoor activity. Outdoor sport (up to 10 people) consistent with AIS Framework. | Step 2: Indoor/outdoor sport up to 20 people. Physical distancing (density 4m ²). | Step 3: Venues allowed to operate with up to 100 people with physical distancing. Community sport expansion to be considered consistent with AIS Framework. | Further steps TBC |

5. Recovery

When public health officials determine that the outbreak has ended in the local community, the Club will consult with relevant authorities to identify criteria for scaling back its COVID-19 prevention actions. The Club will also consider which protocols can remain to optimise good public and participant health.

At this time the Committee of Burraneer Rugby Club Inc will consult with key stakeholders to review the delivery of its return to sport arrangements and use feedback to improve organisational plans and systems.

Appendix: Outline of Return to Sport Arrangements

Part 1 – Sport Operations

| Area | Plan Requirements (for activities under AIS Framework Level B) | Plan Requirements (for activities under AIS Framework Level C) [Club to provide further detail when Level C close to implementation] |
|---------------------------|---|--|
| Approvals | <p>The club must obtain the following approvals to allow a return to training at Level B:</p> <ul style="list-style-type: none"> • State/Territory Government approval of the resumption of community sport. • Relaxation of public gathering restrictions to enable training to occur. • Local government/venue owner approval to training at venue, if required. • National/state sporting body/local association approval of return to training for community sport. • Club committee has approved return to training for club. • Insurance arrangements confirmed to cover training. | <p>The club must obtain the following approvals to allow a return to training/competition at Level C:</p> <ul style="list-style-type: none"> • Relaxation of public gathering restrictions to enable training to occur. • Local government/venue owner approval to training/competition at venue, if required. • National/state sporting body/local association approval to return to training/competition for community sport. • Club committee has approved return to competition for club. • Insurance arrangements confirmed to cover competition. |
| Training Processes | <ul style="list-style-type: none"> • Club to emphasise AIS Framework principle of “Get in, train, get out” – arrive ready to train. <i>Training provided to Coaches, Training Support and Managers of each team on requirements. Email sent to each team to provide to Parents prior to training commencement. Facebook posts on principals per the AIS Return to Play Checklist</i> • Length and scheduling of training sessions to reduce overlap. <i>Protocols established for team training provided at Coaches and Managers COVID-19 Safety Session (“Training Session”).</i> • Clearly outline nature of training permitted (e.g. small groups to train and for team meetings, equipment/skill drills able to be used, certain sport activities not permitted during Level B training, no contact including high fives/hand shaking, no socialising or group meals). <i>Emails and Training Session provided to Coaches, Training Support and Managers of each team on requirements.</i> | <p><i>To be updated as move towards level C</i></p> <ul style="list-style-type: none"> • AIS Framework principles – full sporting activity that can be conducted in groups of any size (subject to COVIDSafe Roadmap) including full contact. • For larger team sports, consider maintaining some small group separation at training. • Limit unnecessary social gatherings. • Clearly outline nature of training permitted. • Access to treatment from support staff. • Sanitising requirements continue from Level B. • Treatment of shared equipment continues from Level B. |

| | | |
|------------------------|--|--|
| | <ul style="list-style-type: none"> • Defined training areas for each training group, maintaining base density requirement of 4 square metres per person and physical distancing (>1.5 metres). <i>Protocols established for team training</i> • Sanitising requirements, including use of sanitising stations. <i>Committee will provide hand sanitiser, tables and sanitising equipment to ensure all training equipment is appropriately cleaned before and after use.</i> • Treatment of shared equipment (e.g. sanitise equipment before, during, after sessions) and use of such equipment to be limited. <i>Committee will provide hand sanitiser, tables and sanitising equipment to ensure all training equipment is appropriately cleaned before and after use.</i> • No sharing of personal equipment. <i>Training Session provided to Coaches, Training Support and Managers of each team on requirements</i> • Personal hygiene encouraged (e.g. wash hands prior to training, no spitting or coughing). <i>Email to parents and Training Session provided to Coaches, Training Support and Managers of each team on expectations and requirements</i> • Guidance for travel arrangements (e.g. physical distancing on public transport, limit car pool/taxi/Uber use). <i>Email and Training Session provided to Coaches, Training Support and Managers of each team. Email to parents.</i> • Training attendance register kept. <i>Template and Training Session provided to Coaches, Training Support and Managers of each team. Completed registers should be returned to Burrarugby@outlook.com</i> | <ul style="list-style-type: none"> • Personal hygiene encouraged (e.g. wash hands prior to training, no spitting or coughing). • Training/playing attendance register kept]. |
| Personal health | <ul style="list-style-type: none"> • <i>As per AIS Return to Play Checklist – Step 1 level B</i> • Graded return to sport to avoid injury. <i>Training Session provided to Coaches, Training Support and Managers of each team.</i> • Advice to players, coaches, volunteers to not attend if unwell (including any signs/symptoms of cold, flu, COVID-19 or other illness). <i>Training Session provided to Coaches, Training Support and Managers of each team. Email to Parents.</i> • Washing of hands prior to, during and after training and use of hand sanitiser where available. <i>Training Session provided to Coaches, Training Support and Managers of each team. Email to Parents.</i> | <p>Should cover:</p> <ul style="list-style-type: none"> • Requirements continue from Level B. |
